INCUBATEE INDUCTION

ABOUT PDPU

Pandit Deendayal Petroleum University (PDPU) which has a NAAC accreditation with "A" Grade, with CGPA of 3.39 out of 4.00 also has been awarded the Graded Autonomy by MHRD, Government of India. PDPU is one of the two private universities in India and the only University in Gujarat to receive this recognition in 2018. PDPU was established in 2007 by the Gujarat State Legislature Act. PDPU's lush green campus is spread over 100 acres of land with state of the art academic and residential infrastructure of global standards.

PDPU addresses the need for a trained and specialized human resource for Industry worldwide. It intends to expand the opportunities for students and professionals to develop intellectual knowledge base with leadership skills to compete in the global arena. University aims to foster the spirit of global citizenship for all its stakeholders and create a dynamic global culture on the campus.

ABOUT PDPU IIC

PDPU Innovation & Incubation Centre (PDPU IIC) is an incubator established by Pandit Deendayal Petroleum University (PDPU). PDPU IIC is registered u/s 8 of Companies Act, 2013. It is recognized as Nodal Institute by Govt. of Gujarat and registered as Startup India Incubator under DIPP (Department of Industrial Policy and Promotion, Govt. of India). Also, PDPU IIC is supported by Student Start-up and Innovation Policy(SSIP) by Education Dept. of Govt. of Gujarat, Startup Innovation Policy by Industries Commissionerate(IC) and Department of Science and Technology(DST) by Government of Gujarat.

PDPU IIC is born with the aim of converting the brimming potential of budding Engineers, Management Students and Technocrats into innovation-driven business ventures leading to technical renaissance. We are incubating 50+ Start-ups from the different domains such as waste management, energy and environment, IT & IOT, Fintech, cleantech, etc.

DOMAINS

ABOUT THE EVENT

PDPU IIC organized an induction program to welcome the new startups into the IIC Family. The main aim for conducting the program was to give the startups an introduction to working environment at PDPU IIC and for them to interact amongst themselves so as to ensure smooth incubation journey. The event started with an ice-breaking activity conducted by Mr. Anay Mashruwala. The startups were given a brief about PDPU IIC; they were introduced to the team and were assigned a nodal officer which was followed by lunch. Post lunch, the startups interacted and introduced their team members and briefed about their venture. After the introductions, a flash venture activity was conducted and a session on company formation was held by Mr. Ankit Shukla. The event ended with an interactive session of the new startups with the existing startups of PDPU IIC.

FLASH VENTURE ACTIVITY

The flash venture activity was initiated by Mr. Anay Mashruwala (Incubatee Coach at PDPU IIC) to give each startup a glimpse of the journey from ideation stage To Planning & Execution of their idea. The main purpose of conducting the flash venture activity was to give each startup experience of living the journey of entrepreneurship from the beginning stage to the struggle and the problems faced by entrepreneur before he/she becomes successful.

SESSION WITH K.A. SHUKLA & ASSOCIATES

A session on Company formation and Registration by Mr. AnkitShukla from K.A Shukla and Associates was organized. The session started with a brief about the importance of forming a company and registering it with completing all the legal work. The session included on the basic discussion points such as why completing the legal work is important for the startup, when to start company registration and other topics related to the legal framework of the startup. The session ended with Mr. Ankit interacting with all the startups and solving their queries.

FEEDBACK

Mr. Vijan Trivedi
Founder :
Shubh Aarogyam

“

The session was quite refreshing and we got to know about our strengths and weaknesses and it helped us in getting a clear vision about company formation and registration.

”

“

The session was great we learned about various risk factors while starting a startup and various possibilities to reduce those risk factors.

”

Mr. Parth Patel
Founder :
Tech Print

“

The session was very interactive and I learned a lot from the session like about how to start a business from the basics and mostly about my company.

”

Mr. Gulamechist Munshi
Founder: **So Wind**
